The following check list is to be completed to ensure your application is correct and contains all documents required when submitting to the office.
☐ Original Certified Pedigree is required to be submitted with this application
☐ Application for registration of transfer is to be completed and lodged with this application
☐ Is the microchip number of the above named dog recorded on the National Registration Database? If not then a copy of the original microchip paperwork MUST accompany this application form.
☐ Have all registered owner/s signed the declaration on this application?

Please note Code of Ethics regulations – Part 24 A member exporting a puppy must comply with all current requirements of the Australian Department of Agriculture. Whilst puppies can be exported at an age that is permitted under the relevant livestock import regulations of the country to which they are being imported, it is recommended that weaned puppies younger than twelve (12) weeks of age not be exported, and that they receive at least 2 core vaccines at least 4 weeks apart. (04/16)
