## **SECTION 3A (6/97)**

### **3A. MEDIATION**

- 3A.1 In respect of a suitable matter, the Disputes Assessment Panel may, in his absolute discretion, decide that it might be suitable for mediation. **(12/09)**
- 3A.2 For the purpose of this section 3A, a suitable matter is a matter that has been referred to the Disputes Assessment Panel for inquiry (subject to the discretion of the Disputes Assessment Panel referred to in regulation 3.2) and in which the Disputes Assessment Panel considers the following characteristics to be present: **(12/09)**
- (a) the matter concerns only a minor disagreement or argument at a Show or at a meeting of an affiliate,
  - (b) there was no physical contact, or threat of physical contact, between the relevant parties, and
  - (c) there is no question of financial loss sustained by any of the relevant parties.
- 3A.3 In respect of a suitable matter, the Disputes Assessment Panel may invite the relevant parties to consent to participate in a mediation process. **(12/09)**
- 3A.4 If the relevant parties provide their written consent to participate in a mediation process, the Disputes Assessment Panel shall then nominate a member of the Judicial Panel to act as mediator ('mediator'). **(12/09)**
- 3A.5 The mediator's role is to assist the parties to resolve the dispute between them. The mediator does not impose a solution and it is not his function to attempt to persuade a party into agreement or to make any substantive decisions for the parties.
- 3A.6 Within 7 days of his nomination as mediator, the mediator must arrange a meeting between the mediator and the relevant parties and that meeting must take place within a further 14 days. At that and any subsequent meeting, the mediator is free to conduct the mediation in such manner as he considers appropriate in the circumstances but as a guide, the procedure might be as follows:

- 3A.7 A settlement agreement that emanates from a mediation pursuant to this section 3A of the regulations shall, subject to its terms, be regarded as finalising for all time the matter that was referred for inquiry.
- 3A.8 If, within 45 days of the date upon which the mediator was nominated as such, the matter in dispute has not been resolved pursuant to the mediation process, the Disputes Assessment Panel must then decide whether or not an inquiry should be initiated pursuant to regulation 3.1. **(12/09)**
- 3A.9 If a settlement agreement emanating from a mediation does not resolve all matters that were referred for inquiry, the Disputes Assessment Panel must then decide whether or not an inquiry should be initiated pursuant to regulation 3.1 in respect of the unresolved matters. **(12/09)**
- 3A.10 The fact that a mediation has not resolved, or fully resolved, a matter in dispute between the relevant parties is not relevant to and shall not be taken into account by a Committee conducting an inquiry.

## **SECTION 4**

### **4. MATTERS THAT MUST BE REFERRED FOR POSSIBLE INQUIRY**

- 4.1 An affiliate must notify the DOGS NSW Secretary of a dispute between the affiliate and a member or any other person as soon as the committee of the affiliate is aware of the dispute, but no dispute shall be so notified that is of a domestic nature relating only to the internal affairs of an affiliate or its members and not relating to the objects of DOGS NSW or to the rules or regulations.
- 4.2 Upon receipt of notification pursuant to regulation 4.1, the Board of Directors may, before considering or deciding whether or not to request the Disputes Assessment Panel to initiate an inquiry, appoint any person (other than a member of the Judicial Panel) to advise the parties and to endeavour to resolve the dispute. **(12/09)**

- (b) the Committee shall only grant an application for an adjournment by a person directly affected in circumstances where to fail to do so would in the Committee's opinion constitute a denial of natural justice.
- 5.6 The Committee shall not be bound by any rules of evidence and shall conduct the inquiry with the minimum of formality and in such manner as it sees fit.
- 5.7 (a) The Disputes Assessment Panel or the Chairman of the Committee may require any member to attend at a hearing before the Committee and to furnish such information and evidence and to produce such documents relevant to the matter the subject of the inquiry as to the Committee seems fit. **(6/97), (12/09)**
- (b) The Committee may of its own motion call evidence from experts.
- 5.8 No person shall be legally represented before the Committee.

## SECTION 6

### 6. DECISIONS OF THE COMMITTEE AND CERTAIN PENALTIES (04/16)

- 6.1 (a) The Committee shall publish a written report on the facts as found by the inquiry and the penalty (if any) the Committee considers appropriate to impose in the circumstances.
- (b) If the opinion of the members of the Committee is not unanimous, the decision of the majority shall prevail. If the members of the Committee are equally divided on any question concerning the guilt or innocence of a member who is or whose actions are the subject of the inquiry, the question shall be resolved in that member's favour.
- (c) The Chairman of the Committee shall cause the report to be delivered to the DOGS NSW Secretary.
- 6.2 (a) If the Committee considers that the imposition of a penalty is appropriate, it may either
- (i) reprimand the member;
  - (ii) impose upon the member such fine as it may think appropriate in the circumstances;
  - (iii) disqualify the member from exhibiting or handling an exhibit, or from acting as a Show official, or from admission to a Show;
  - (iv) suspend the member from membership of DOGS NSW for a specific period;
  - (v) require the member to tender his resignation from DOGS NSW;
  - (vi) terminate the member's membership of DOGS NSW; or
  - (vii) impose upon the member any combination of the above.
- (b) In considering an appropriate penalty, the Committee:
- (i) shall have regard to any submissions on penalty that the member concerned may wish to make;
  - (ii) may have regard to any previous instances in which the member concerned has been found guilty of any conduct referred to in Article 22, provided that the Committee shall not be made aware of any such previous instances until after the Committee has reached the decision that the member concerned is guilty in respect of the matter then before the Committee. **(06/12)**

- (c) It shall be the duty of the DOGS NSW Secretary to cause to be provided to the Chairman of the Committee, prior to the Committee's consideration of the question of penalty, an envelope in which shall be contained a paper on which shall be written either information concerning any such previous instances or a statement to the effect that there have been no such previous instances. The information shall not make reference to any occasion when the complaint was dismissed or found not proved.

- (a) Where a penalty comprises or includes the payment of a monetary penalty, that amount must be paid no later than the date nominated in the Committee's report as the date for payment (or if no such date is nominated, within 14 days of the date of that report).   - (d) In any case where a Member considers that, as a result of suspension, they are being unfairly deprived of a particular right of membership due to exceptional personal circumstances, they may apply to the Board of Directors, within five (5) working days of the commencement of the suspension, for dispensation from suspension of such specific right. **(06/14)**

The reference in Regulation 6.5 to only a monetary penalty or a suspension from membership is not intended to exclude the imposition of the other penalties referred to in Regulation 6.2(a) if considered to be appropriate in the circumstances. Furthermore, in a case where the member concerned has not previously been found guilty of a complaint, the Committee or the Appeal Committee may decide only to counsel, warn or reprimand the member concerned. **(04/16)**

- 11.2 In the case of the report of an inquiry falling (in whole or in part) within article 22 (a) (i), (iii), or (iv), and in such other appropriate case as the Board of Directors may decide, the DOGS NSW Secretary shall send a copy of the report to the Secretary of the affiliate of which the member concerned was a member at the time of the events the subject of the inquiry. **(06/12)**

## SECTION 12 (8/95)

### 12. INTERIM SUSPENSION OF MEMBERSHIP IN CERTAIN CIRCUMSTANCES

12.1 This section only applies in respect of a written complaint received by the DOGS NSW Secretary that a member may have committed misconduct and that complaint includes at least one of the following allegations:

- (a) that a member deliberately struck, or attempted to strike, another person
- (b) that a member deliberately injured, or attempted to injure, a dog
- (c) that a member loudly, seriously and in the hearing of other persons abused a judge at a show

and the allegation in question in that complaint is directly corroborated by at least 3 additional written statements provided to the DOGS NSW Secretary.

12.2 In respect of a complaint to which this section applies, the DOGS NSW Secretary must, during the period of 24 hours following receipt by the DOGS NSW Secretary of the complaint and the additional statements, attempt to communicate (either personally or by telephone) with the member about whom the complaint has been made so as to:

- (a) advise that member of the nature of the complaint and the evidence that has been received in respect of it
- (b) advise that member that it is a complaint of the kind that could result in the interim suspension of the member's membership
- (c) invite that member to submit, within no more than 48 hours, submissions (either orally or in writing or both) why interim suspension of membership should not be imposed.

A failure by the DOGS NSW Secretary to actually communicate with the member concerned during the period of 24 hours referred to in regulation 12.2 does not vitiate the following provision of this section 12.

12.3 Upon the expiration of the period of 24 hours referred to in regulation 12.2, and whether or not the DOGS NSW Secretary has actually communicated with the member concerned, the DOGS NSW Secretary must provide to the Disputes Assessment Panel a copy of the complaint and of the additional written statements and must advise the Disputes Assessment Panel (either orally or in writing as the Disputes Assessment Panel may direct) of any submissions from the member concerned. **(12/09)**

If the Chairman forms the opinion that an inquiry is to be initiated in respect of the complaint, and so informs the DOGS NSW Secretary, the DOGS NSW Secretary must by notice in writing to the member concerned advise that an inquiry has been initiated and may by that notice suspend that member's membership of DOGS NSW with effect from such date and lasting for such period not exceeding 35 days as to the DOGS NSW Secretary seems appropriate.

12.4 In a case where the DOGS NSW Secretary has suspended a member's membership pursuant to regulation 12.3:

- (a) the information required to be provided to the member concerned pursuant to regulation 5.1 must be provided to the member no later than within 5 days of the date upon which the member's suspension of membership came into effect
- (b) the reference in regulation 5.3(a) to 21 days may, with the written consent of the member concerned, be reduced to no less than 7 days
- (c) the inquiry is to be conducted as expeditiously as reasonably possible but if it appears to the Committee conducting the inquiry that the Committee will not have published a report as required by regulation 6.1(a) before the expiration of the period of suspension of the member's membership, the Committee may, in the presence of the member concerned but only after hearing submissions from that member on the question, resolve to extend the period of suspension for such further period as to the Committee seems reasonably necessary in the circumstances
- (d) if the Committee concludes in its report that the imposition of a penalty is appropriate, the Committee shall, in addition to complying with regulation 6.2(b), have regard to the fact that the membership of the member concerned has been suspended for a period of time.

12.5 In a case where the DOGS NSW Secretary has suspended a member's membership pursuant to regulation 12.3 and the Committee is of the opinion that the complaint was of a kind referred to in regulation 10.2(a)-(c), the Committee must decide that there be a penalty imposed on the person considered by the Committee to have acted in any manner described in regulation 10.1(a)-(c) and that penalty:

- (a) if it is a monetary penalty, must be for an amount of not less than \$1,000, and
- (b) if it is to be a suspension of membership, the period of suspension must be for at least 12 months

## **SECTION 13 (6/97)**

#### **13.1 If:**

- (a) a monetary penalty in excess of \$500.00 has been imposed on a member,
- (b) the penalty has not been paid in full within a period of 2 years from the date of the report pursuant to which the penalty was imposed, and
- (c) the Board of Directors is satisfied that the only reason the penalty has not been paid in full is financial hardship suffered by the person concerned,

the Board of Directors may resolve to waive payment of the penalty or of any outstanding balance.

- 13.2 A waiver by the Board of Directors pursuant to regulation 13.1 is not to be taken as affecting in any respect the decision of the Committee of an Appeal Committee concerning the matter.

## **SECTION 14 (9/97)**

### **14. MISCONDUCT GENERALLY**

- 14.4.3 Failure to accept the offer of an early guilty plea by way of a written acceptance within twenty eight (28) days from the date of the service of the complaint and offer of an early guilty plea in lieu of an Inquiry shall be deemed to be a plea of not guilty to the complaint and the matter shall thereafter be referred to the Disputes Assessment Panel for the initiation of an Inquiry pursuant to Regulations Part XI-Inquiries, Investigations & Appeals. **(09/19)**
- 14.4.4 A member who is the subject of a complaint which alleges a breach of the Regulations Part XIII-Code of Ethics may reject the offer of an early guilty plea and acceptance of penalty within twenty eight (28) days of the service of the complaint by written notification to the DOGS NSW Secretary advising that the member elects to have the matter determined by an Inquiry pursuant to Regulations Part XI-Inquiries, Investigations & Appeals. **(09/19)**
