2.2 AFFILIATES

2.2.1 DOGS NSW Affiliates will conduct themselves in accordance with the Dogs Australia Scent Work Rules (1/7/2024).

2.2.2 Affiliates may be guided by the DOGS NSW Affiliates Guide for Scent Work Trials (2026) - **to be developed by DOGS NSW** - and the DOGS Australia Affiliates Guide (2020) however it is noted that these documents are guides and not regulations.

2.2.3 **Balloting:** Balloting may be conducted in each class where entries are over the cap or the required judging limits for the trial. If using balloting as the entry process, Affiliates must abide by the following:-

- a. The Affiliate must publish on their schedule that they will be doing a Ballot.
- b. The Ballot must be done in public and available on a public forum, available to all members entered at that trial on a date set by the Affiliate.
- c. The balloting date and the location and the online forum for the Ballot must be advertised on the Affiliate's Schedule.
- d. Each class is to be balloted separately.
- e. A competitor can be balloted out once only and is then exempt from any further balloting in classes offered at that trial.
- f. No preference is to be given to Affiliate members, volunteers/helpers, nor any consideration given to the distance travelled by competitors or where a competitor requires only one pass for a title.

2.2.4 **Not for Competition Class:** An Affiliate may also conduct a Not for Competition (NFC) Class at a trial. All requirements of the trial, catalogue, running order, trial numbers and so on will still apply. Qualifying certificates must not be awarded.

- a. If offered by the Affiliate, a competitor may enter any class/element to enter as Not for Competition (NFC).
- b. An NFC run will replace the dog's competition run in that class/element. That is, a competitor cannot submit an NFC entry and an entry for the same class/element. The competitor must submit an entry form clearly marking the class/element entered with "NFC" and pay the required entry fee to the Affiliate.
- c. The Trial Manager will include the entry in the catalogue with an NFC number and the entry shall be added to the class/element nominated.

- d. An NFC entry is non-competitive; no cards of any kind (qualifying or non-qualifying) are to be awarded and an NFC entry will not be eligible for ribbons/trophies or prizes (if offered).
- e. There will be no separate class, search area or Judge for an NFC entry. The NFC entry nominated on the entry form may have a reduced fee at the Affiliate's discretion.
- f. NFC classes are at the discretion of the Affiliate for any/all classes and elements at a DOGS NSW sanctioned Scent Work Trial.
- g. Trial Procedures
 - i. A competitor running NFC will run under the same conditions as all other competitors.
